

DISTANCE EDUCATION FEES

The Board acknowledges that it will accept responsibility for the payment of registration fees for senior years distance education courses as follows:

- I. a.) to maintain specific programs at C.C. or N.A.C.I. that it would be impractical to offer because of insufficient numbers of students. Preference will be given to courses needed for post secondary study or where maintaining a degree of equality between the two collegiates.
e.g. Physics.
- b.) for individual students on a limited basis when a course is required for graduation and it is not possible to obtain it because of timetable conflicts.

To qualify for payment under this section, each registration must be recommended by the school and approved by the Division Office in advance of the registration. Registration fees for approved courses will be refunded upon receipt of evidence of successful completion of the course.

- II. a.) to provide Grade 9-12 courses on Hutterite Colonies

Payment for these courses up to a maximum of \$450 per course will be made directly to the Distance Education Branch or sponsoring Division by the Division.

- III. Distance education courses may be taken under other circumstances if costs are assumed by the student or his/her parent/guardian.
