

Digital Storytelling

The most important part is the story. What will your story be? What issue will you address? Characters? Setting? Problem? Solution?

Here are some ideas for topics

Informative Story (Expository Writing)

1. Safety (farm, playground, shop, kitchen). (use pictures and student voices)
2. How to (ride a skateboard, spike a volleyball, make kraft dinner, hook up a computer)
3. What does it mean to be Canadian? (use O Canada, student voices, student pictures, icons of Canada)
4. Facts on Canada
5. Beauty of Canada
6. Pollution in your home town
7. Vandalism and crime
8. Life in a small school
9. How is paper made
10. A memorable day
11. A memorable person
12. Hero (Terry Fox story, Helen Keller)
13. Inventors or Inventions
14. Historic buildings in my town.
15. My beautiful Home town – all the great reasons to live here
16. Bullying
17. Teen Depression
18. Eating Disorders
19. Preparing for a Weather Disaster
20. Ethical use of Technology
21. Recycling in our school

Narrative Writing (Literary Writing)

1. Digitize pictures from a storybook that students are not familiar with. Have students put them in order and create a story
2. Re-tell a fable, folktale
3. Collect family stories.
4. Remembering your life stories.

Persuasive Writing

1. Vote for me
2. Should girls be allowed to play on boys teams?
3. Why we should be able to chew gum, wear hats in school.
4. Buy my product.
