Jurassic Edition

Compiled by Ron Nordstrom, Technology Coordinator ph. 476-3305 rnordstrom@bpsd.mb.ca

Are you studying dinosaurs this year?

Here are some brief descriptions of websites to help you integrate the Internet into your unit.

Best Site – Dinosaur Lessons

A complete dinosaur thematic unit suitable for early years children. Print the entire 14 pages or use online. Includes links to dinosaur websites, and a printout on how to make your own fossil prints. Find this site at http://prism.troyst.edu/~jill/dinosaur_lessons.htm

Another Great Site Zoom Dinosaurs.com

<http://www.zoomdinosaurs.com/subjects/dinosaurs/toc.shtml>

Most links are suitable for Grade 3 and up

Includes:

- Facts about dinosaurs
- Online quizzes
- Word scrambles
- Classroom activities including writing stories, poems, and much more

- Print outs
- Dinosaur jokes
- Dinosaur dictionary
- Much more

Dino Master Lab

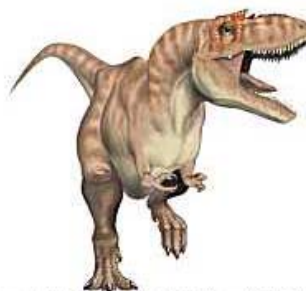

Good for Grade 3-5

<http://www.goldenbooks.com/dino/home.html>

Lots of interactive activities including:

- Color pictures online
- Take an online quiz
- Online puzzles
- Interesting facts on dinosaurs

Check out the Dinomaster Training Area. It requires Macromedia Flash Player and is worth looking at.

Dinosaur Coloring Book

Printable pages for students to color.
Can also get dinosaur fact sheets. Very good for early years.

<http://www.enchantedlearning.com/crafts/books/dinobook/>

Download-A-Dinosaur

Download and print, then students glue together to make paper models of dinosaurs. Find at

<http://www.rain.org/~philfear/download-a-dinosaur.html>

Discovering Dinosaurs

A britannica.com site. Are chickens descendants of dinosaurs? Click on the links on the left to learn about dinosaurs. Suitable for Grades 3 and up.

<http://dinosaurs.eb.com/dinosaurs/study/index.htm>

Kids domain Dinosaur Digs

<http://www.kidsdomain.com/brain/dino/index.html>

- A dinosaur glossary
- Dinosaur riddles
- Clipart
- Online Games
- Printables/Puzzles
- Clipart
- Download dinosaur games

- More

Walking with Dinosaurs

A lot of links including a pretty good online Dinosaur Survival Game which students can figure out pretty quick, but adults have to take awhile to figure out.
<http://dsc.discovery.com/stories/dinos/dinos.html>

Jurassic Park Institute

<http://www.jpoinstitute.com/index.jsp>

- Play dinosaur games online. Easy to expert.
- Read about dinosaurs – suitable for Grade 5 and up.

Preschool Activities-Dinosaur Theme

The name says it all

<http://preschoolrainbow.org/dinosaur.htm>

Paleontology Lesson Plans

(mostly early years)

<http://askeric.org/cgi-bin/lessons.cgi/Science/Paleontology>

Walking with Dinosaurs

For Grade 6 and up

http://www.abc.net.au/dinosaurs/fact_files/

The Dinosaur Encyclopedia

Information on more dinosaurs than I ever thought existed.
